EOA CIRCULAR 52

WATER RESTRICTION - CITY OF WINDHOEK

Dear Residents of Elisenheim,

7 August 2024

In light of the Category D – Drought situation declared by the City of Windhoek for Windhoek and surrounding areas; water restrictions have been implemented. To ensure compliance, please adhere to the following guidelines outlined by the City of Windhoek

The restrictions as follows as indicated by City of Windhoek:

- Water gardens only once a week.
- Wash cars at certified commercial companies.
- Use buckets for car washing at home.
- Cover swimming pools and refrain from refilling them with municipal water.
- Discontinue the use of fountains.
- Report any leakages promptly to the City of Windhoek.

Please be advised that these water restrictions will be rigorously monitored within the estate, and strict enforcement measures will be in place.
Non-compliance may result in a fine of N\$ 2000.00

Thank you for your cooperation and assistance in conserving water during this critical period.

Kind regards,

ESTATE MANAGEMENT
