ELISENHEIM
LIFESTYLE ESTATE

7 October2026

Dear Homeowners and Residents,

As our community continues to grow and we look forward to spending more time outdoors with the warmer weather approaching, we want to take a moment to share a friendly reminder regarding the estate rules and guidelines for keeping pets on Elisenheim.

Our pets bring so much joy and companionship to our daily lives, and living in a pet-friendly estate is something many of us truly value. To ensure that all residents—and our furry family members—can live together comfortably and harmoniously, please keep the following key rules in mind:

- **Number of Pets Allowed:** In terms of our estate guidelines, residents may keep a maximum of **two dogs** of a reasonable size and **two cats** on an erf. Keeping additional pets requires prior written permission from the Elisenheim Owners Association (EOA).
- **Leash Requirement:** Whenever you take your dogs out for a walk or exercise them around the estate, **they must be on a leash at all times**. Dogs are not permitted to roam the streets or public areas unsupervised. This keeps everyone safe—including other residents, children, and your own pets.
- **Consideration for Neighbours and Noise:** We often receive queries and concerns regarding continuous barking. Think about it from a neighbour's perspective: when pet owners go away on holiday or a weekend trip and leave their pets behind without proper care, the dogs often experience anxiety and bark continuously. Imagine looking forward to some well-deserved rest away from home, only to return—or listen all day—to a neighbouring dog barking non-stop for hours on end.

Let's all do the right thing for our neighbours and our pets. If you are planning to go away, please arrange for someone to look after your pets at home or book them into a professional pet care facility or kennel.

Thank you so much for your cooperation, thoughtfulness, and dedication to keeping Elisenheim a peaceful, friendly, and happy home for everyone. Please feel free to reach out to the estate office if you have any questions.

Warm regards,

Elisenheim Estate Management Team
